

Purity Grand Duo Tub Faucet Set with Diverter, Handshower, Signature Plate

B-PU-112RH-00

This Tub Faucet Set sets a precedent for how phenomenally unique stylings can also possess a touch of modernism. The result is compelling, with a modern faucet that is angular and filled with thoughtful detail. Below the faucet is an ornamental plate that adorns the faucet to create a work of art. The solid brass handles are smooth, balanced by the beautiful yin-yang etching atop the posts. The polished handshower adds an extra layer of elegance and versatility and includes detailed etchings to complement the handles and faucet.
